Re: Room sharing for all-state

Directors, because of the enormous expense of staying at the Renaissance Hotel for all-state, I am compiling a list of names of directors who would like to room share with another director. If you are interested in acquiring a roommate simply fill out this form and email the information back to me. I will then compile the information and email it to directors wanting to room share. It will then be up to the director to contact the potential roommate/director to finalize details and arrange payment. If you have any questions, please email or call me at 615-904-3850 x23074 / patton@rca.k12.tn.us
