

Middle Tennessee Vocal Association presents

Developing the Independent Musician: Progressive Sight-singing in the K-12 Music Classroom

with

Dr. Carol Kreuger, clinician

Director of Choral Activities, Emporia State University

**a FREE Professional Development clinic
for all Tennessee Choral Directors**

Friday, November 8: 5-8pm

Saturday, November 9: 9-5pm

Christ Church—Nashville, TN

1534 Old Hickory Blvd.

Dr. Krueger will:

- share positive ideas and practical methods for cultivating music reading, audiation, dictation, elementary composition, musical memory, and aural skills.
- offer specific techniques for developing reading readiness, and for promoting tonal, rhythmic, and melodic literacy.
- present teaching strategies and techniques for applying reading skills to choral literature.
